## MSP: COVERAGE CHECKLIST

R

### INSTRUCTION SHEET

#### INSTRUCTIONS:

A comprehension exercise to be done with or without the text as reference. Students are to simply check the box beside the line item, indicating if it is a service covered by MSP. Note that some people may be eligible for coverage, depending on their age, income and/or immigration status. i.e. Pharmacare, kids' eye exams, etc.

#### REQUIRED STRUCTURES:

**REQUIRED VOCABULARY:** *coverage, cover, physiotherapy, prescription, over-the-counter, immunizations, eyeglasses*

**GROUP SIZE:** individual

**HANDOUTS:** MSP Coverage Checklist worksheet

**OTHER MATERIALS REQUIRED:** none

**RELATED GRAMMAR:** modals (*may, might, can, could, should*)

#### FOLLOW-UP ACTIVITIES:

As MSP is changing, students can call MSP to confirm whether or not some services are still eligible. The class can also debate what items are "necessary" and what items may be cut or should be added. Compare services and costs in students' 1<sup>st</sup> countries and Canada
