PARTS OF SPEECH GRID

INSTRUCTION SHEET

INSTRUCTIONS:

Using vocabulary from the whole Health chapter text, students fill in the various parts of speech under the corresponding column.

REQUIRED STRUCTURES: none

REQUIRED VOCABULARY: from the text, noun, verb, adjective

GROUP SIZE: individual (for strong level 3 students), pairs

HANDOUTS: Grid worksheet

OTHER MATERIALS REQUIRED: Newcomers' Guide text, English-only dictionary at instructor's discretion

RELATED GRAMMAR: affixation, word formation strategies, using context clues for vocabulary

FOLLOW-UP ACTIVITIES:

Students write sample sentences with the vocabulary in context

Add synonym and antonym categories to the grid

Practise the pronunciation and word stress changes in different parts of speech
